## Sudoku letters

Sudoku is a Japanese number puzzle.

In our puzzles, we have swapped the numbers for letters —but the rules are the same.

Each row, column and box must have only one of each letter.

### Sudoku 1

Each row, column and box must contain the letters: C R O P

	R		
P			
R			
	O		R

### Sudoku 2

Each row, column and box must contain the letters: S O I L

	S	O	
	L		
S	O		

### Sudoku 3

Each row, column and box must contain the letters: B U G S

B			U
	U		
		G	
			S
