

# Sudoku letters

Sudoku is a Japanese number puzzle.

In our puzzles, we have swapped the numbers for letters — but the rules are the same.

Each row, column and box must have only one of each letter.

## Sudoku 1

Each row, column and box must contain the letters: C R O P

	R		
P			
R			
	O		R

## Sudoku 2

Each row, column and box must contain the letters: S O I L

	S	O	
	L		
S	O		

## Sudoku 3

Each row, column and box must contain the letters: B U G S

B			U
	U		
		G	
			S

Answers are on the answers page.
