Environmental Protection Act 1994 – Section 46

Final Terms of Reference (TOR) for an Environmental Impact Statement (EIS)

Mount Oxide Project

The Department of Environment and Resource Management (DERM), in accordance with Section 46 of the *Environmental Protection Act 1994*, has finalised the TOR for carrying out an EIS for the proposed Mount Oxide Project. Mount Oxide Pty Ltd is the proponent for the proposal, located 120 km north of Mount Isa. The project would involve open-cut mining of copper bearing ore. The ore would be hauled to the on-site processing plant or to a processing facility located in the Mt Isa region. The copper concentrate would be transported to Mt Isa or Cloncurry then transported to Townsville by rail for export.

The final TOR is available on the DERM web site <www.derm.qld.gov.au> or by contacting the EIS Coordinator on 13 74 68 (13 QGOV).
