Environmental Protection Act 1994—Section 46

Final Terms of Reference (TOR) for an Environmental Impact Statement (EIS)

Paradise South Phosphate Project

The Department of Environment and Resource Management (DERM), in accordance with section 46 of the *Environmental Protection Act 1994*, has finalised the TOR for carrying out an EIS for the proposed Paradise South Phosphate Project. Legend International Holdings Incorporated is the proponent for the proposal located 135 km north north-west of Mount Isa.

The project would involve mining of phosphate bearing ore and a beneficiation plant whose product would be transported by slurry pipeline to Mount Isa and then by rail to the Port of Townsville for export. Concentrated phosphate ore may also be transported by road to Mt Isa.

The final TOR is available on the DERM web site <www.derm.qld.gov.au> or by contacting the EIS Coordinator on 13 74 68 (13 QGOV).
