Licensing Outline

The full licence will accompany the data supply, and an overview is outlined below

Permitted use:

You may use the supplied data for your own purposes (including supply to consultants for a specific consultancy project for you but the consultants must return or destroy the supplied data when the project is finished). You must not sell or distribute the supplied data. You must display this copyright notice on any copies of the supplied data however altered, reformatted or redisplayed if you supply to a consultant or copy for back up purposes: "© The State of Queensland (Department of Natural Resources and Water) [year]". You may create and distribute hardcopy and digital products based on or containing the supplied data, provided all the following conditions are met:

You must display this acknowledgment on the product(s): "Based on or contains data provided by the State of Queensland (Department of Natural Resources and Water) [year]. In consideration of the State permitting use of this data you acknowledge and agree that the State gives no warranty in relation to the data (including accuracy, reliability, completeness, currency or suitability) and accepts no liability (including without limitation, liability in negligence) for any loss, damage or costs (including consequential damage) relating to any use of the data. Data must not be used for direct marketing or be used in breach of the privacy laws."

You must include metadata with the product(s) and the metadata must incorporate as a minimum the metadata provided with this supplied data.

Obligations

You must not use the data for direct marketing or in breach of the privacy laws.

If you wish to distribute the supplied data you must organise an additional different licence by contacting the Department (Email: marketing@nrw.qld.gov.au).

I have read and agree to the conditions outlined above.

NOTE:

Format: *All data supplied as ESRI shape file or ESRI GRID and in GDA94 Geographic

Media: Data will be dispatched by email or on CD or DVD depending on file size.
