This information is collected under the authority of the *Water Act 2000* for the purpose of ensuring the sustainable management and efficient use of water and other resources. If the draft resource operations plan is approved and the water allocation/s described above are granted, section 150A of the *Water Act 2000* requires the registrar of water allocations to, for 60 business days after the day details of the water allocation/s are recorded on the register under section 121(1)(b) of the *Water Act 2000*, record a dealing for the water allocation/s only in accordance with the priorities of the section 101(1)(b) notices given for the allocation/s (as set by the *Water Act 2000*). Water allocations and instruments lodged or registered in relation to water allocations, are publicly searchable under section 153 of the *Water Act 2000*.
