This information is collected under the authority of the Water Act 2000 for the purpose of ensuring the sustainable management and efficient use of water and other resources. If this application is approved, the chief executive must give the applicant a certificate under s128A of the Water Act 2000 which the applicant may then give to the registrar of water allocations for the amalgamation to be recorded under s128A of the Water Act 2000. The amalgamation will not have effect until it is registered. Water allocations and instruments lodged or registered in relation to water allocations, are publicly searchable under s153 of the Water Act 2000.
