

# Notice of intention to proceed with application to transfer interim water allocation (subject to conditions)

*Water Regulation 2002 s13A*

## Purpose of this Form

This form is used where the transferee of all or part of an interim water allocation (from another landholder) has received an information notice about conditions under which a proposed permanent transfer would be approved, and wishes to advise the chief executive of an intention to proceed with the application subject to the conditions. NB: If the notice of intention to proceed with the transfer is not received by the chief executive within 30 business days of receipt of the information notice, the application will lapse.

## Section A Transferee Details

Specify the full name of all proposed interim water allocation holder/s

Specify the interim water allocation reference from which the volume is being transferred

## Section B Transferee Declaration

Being the proposed transferee of the interim water allocation referred to in the information notice given by the chief executive on \_\_\_\_/\_\_\_\_/\_\_\_\_, I/We understand that submission of this notice demonstrates an intention to proceed with the application subject to the conditions of approval as specified in the information notice. I/We further declare that the information contained in this notice is true and correct.
