 - Proof of production of crops (e.g. from sugar mill)

PART F Comments

Provide any further information that may assist in assessing this notification.

PART G Declaration

Authorised party to complete and sign the declaration below.

I do solemnly and sincerely declare, that being the person authorised by the owners of the land mentioned in Part B (1), the information contained in this notice is true to the best of my knowledge and that all the works identified in this form were constructed and operational prior to 1 January 1988 and I do not hold a water entitlement for the take of water using the works. I make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of the *Oaths Act 1867*.
